**STYLISH TWO BED - IDEAL FOR COUPLES & YOUNG FAMILIES - £500pcm
- AVAILABLE NOW!**

Red Ridge Residential are delighted to present this beautiful, two-bed downstairs flat, located on a quiet Heaton street, and perfect for young couples and families.

Following a recent redecoration, the living room has a modern, up-market feel, with laminate flooring and modern fireplace, as well as space for a wall-mounted TV.

The fully-fitted kitchen continues the contemporary vibe, with neutral kitchen units and wooden work tops, as well as an oven with grill and hob, washing machine and tall fridge freezer all provided.

The master bedroom is superbly spacious, and has a bright and airy feel, and comes with a beautiful double bed. The second bedroom would allow additional storage space for couples, but is comfortably big enough for a child's first room!

The property also benefits from both a front and back garden, allowing parents to keep an eye on young children when playing.

Advertised price is a promotional offer, and will increase to £600PCM after three months of the tenancy.
