HOMELY TWO-BED FLAT IN EXCELLENT LOCATION - SEPTEMBER 2022

Red Ridge Residential are delighted to advertise this cosy, two-bed downstairs flat on Hotspur Street, available from 1st September 2022.

With the city centre just a twenty minute walk away, and Morrisons supermarket just around the corner, this property really is in an ideal location. Regular buses into town also run by the end of the street every few minutes.

The flat has a very modern feel - it was fully refurbished a few years ago with walls being moved around to create a spacious flat, with two large double bedrooms, stripped wood flooring throughout, a comfortable living room and large fitted kitchen. It also has a nice yard to the rear.
