IDEAL FOR LARGE GROUPS - AVAILABLE AS 5, 6, 7 OR 8 BED!

**Eight-bed property with open plan kitchen/living room, plus three
bathrooms!**

This large house is situated at the top of the leafy Simonside Terrace, just a two minute walk into Heaton Park and only 25 minutes to the Universities.

If you're looking for a property big enough to accommodate up to eight people, as well as all their friends on a Saturday night, then this is the one. The open-plan aspect allows tenants to socialise together, be it around the kitchen table, or across the living room's leather sofas.

The kitchen is large enough for several people to prepare food at once and has enough cupboard space for everyone to have ample room for their utensils and food. As ever, Red Ridge provide all the necessary white goods, including washing machine, dishwasher and two fridge freezers.

All of the eight bedrooms are very spacious, and several have lovely design features, such as the attic rooms which keep the original beams of the house and one of the first floor bedrooms which is split over two levels, so that study space and the sleeping area can be kept independent of each other. The ground floor bedroom even has its own en-suite!

For more information, call Red Ridge!
